Fire and	

explosion

prevention: No specific recommendations.

Storage requirements:

Store in closed containers at ambient temperatures

8 Exposure controls/personal protection

Engineering controls:

The usual precautionary for handling chemicals should be observed.

Exposure limits:

No exposure limit has been established.

Personal protection:

Respiratory: No specific recommendations.

Hand: No specific recommendations.

9 Physical and chemical properties

Appearance	Fabric
Colour	White
Odour	Menthol
Boiling point/range	Not applicable
Melting point/range	Not applicable
pH value	7
Flash point	Not applicable
Flammability	Not applicable
Auto ignition temperature	Not determined
Explosive properties	Not determined
Explosive limits	Not determined
Oxidizing properties	None known
Vapour pressure	Not determined
Density	Not relevant
Bulk density	Not relevant
Solubility in water	Soluble
Relative vapour density (air=1)	Not determined

13 Disposal considerations

Power T. According to local regulations (most probably controlled incineration)

Contaminated packaging:
According to local regulations.

14 Transport information

Land transport: not restricted

Sea transport : not restricted

Air transport: not restricted

15 Regulatory information

Product label name: MF-Clean Eco Super Wipes

Labelling according to EC directives

EC-number: See section 2

Symbol(s):

R(isk) phrase(s): R36 Irritating to eyes

S(afety phrase(s):

Other information

Wassergefährdungsklasse:
(WGK) 1 (expected to be)
(Germany)

16 Other information

This information only concerns the above mentioned product and does not need to be valid of used with other product(s) or in any process. The information is to our best present knowledge correct and complete and is given in good faith but without warranty. It remains the user's own responsibility to make sure that the in information is appropriate and complete for his special use of this product.
